Item 5.07. Submission of Matters to a Vote of Security Holders.

As previously announced, on May 20, 2018, Westinghouse Air Brake Technologies Corporation (“Wabtec”) entered into an Agreement and Plan of Merger with General Electric Company (“GE”), Transportation Systems Holdings Inc., a Delaware corporation (“SpinCo”), which is a wholly owned subsidiary of GE, and Wabtec US Rail Holdings, Inc., a Delaware corporation (“Merger Sub”), which is a wholly owned subsidiary of Wabtec, pursuant to which Wabtec will combine with GE’s transportation business (collectively, “GE Transportation”), through the merger (the “Merger”) of Merger Sub into SpinCo. The Merger will be preceded by a direct sale of certain assets of GE Transportation from GE to Wabtec US Rail, Inc. (the “Direct Sale Purchaser”) for \$2.9 billion. The Direct Sale Purchaser will also assume certain liabilities of GE Transportation.

On November 14, 2018, Wabtec held its special meeting of stockholders (the “special meeting”) to vote on the following items of business relating to the proposed combination with GE Transportation, each of which is described in more detail in the definitive proxy statement filed by Wabtec with the Securities and Exchange Commission (the “SEC”) on October 12, 2018. At the special meeting, Wabtec stockholders:

1. approved the issuance of shares of Wabtec common stock in the Merger (the “Share Issuance”);
2. approved an amendment to Wabtec’s Restated Certificate of Incorporation dated January 30, 1995, as amended December 31, 2003 and May 14, 2013, to increase the number of authorized shares of common stock from 200 million to 500 million (the “Wabtec Charter Amendment”); and
3. approved the adjournment or postponement of the special meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes at the time of the special meeting to approve the Share Issuance and the Wabtec Charter Amendment.

The results for each matter voted on by Wabtec stockholders at the special meeting were as follows:

Proposal 1. Approval of the Share Issuance:

FOR	AGAINST	ABSTAIN	BROKER NON-VOTE
82,387,643	628,189	66,363	N/A

Proposal 2. Approval of the Wabtec Charter Amendment:

FOR	AGAINST	ABSTAIN	BROKER NON-VOTE
82,329,390	680,869	71,936	N/A

Proposal 3. Approval of the adjournment or postponement of the special meeting, if necessary or appropriate:

FOR	AGAINST	ABSTAIN	BROKER NON-VOTE
73,625,682	9,341,237	115,276	N/A

Adjournment of the special meeting was not necessary because there were sufficient votes at the time of the special meeting to approve the Share Issuance and the Wabtec Charter Amendment.

Item 8.01. Other Events.

On November 14, 2018, Wabtec issued a press release announcing stockholder approval of the foregoing matters at the special meeting. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated by reference herein.

Caution Concerning Forward-Looking Statements

This communication contains “forward-looking” statements as that term is defined in Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended by the Private Securities Litigation Reform Act of 1995, including statements regarding the proposed transaction between GE and Wabtec. All statements, other than historical facts, including statements regarding the expected timing and structure of the proposed transaction; the ability of the parties to complete the proposed transaction considering the various closing conditions; the expected benefits of the proposed transaction, including future financial and operating results, the tax consequences of the proposed transaction, and the combined company’s plans, objectives, expectations and intentions; legal, economic and regulatory conditions; and any assumptions underlying any of the foregoing, are forward-looking statements.

Forward-looking statements concern future circumstances and results and other statements that are not historical facts and are sometimes identified by the words “may,” “will,” “should,” “potential,” “intend,” “expect,” “endeavor,” “seek,” “anticipate,” “estimate,” “overestimate,” “underestimate,” “believe,” “could,” “project,” “predict,” “continue,” “target” or other similar words or expressions. Wabtec Announces Stockholder Approvals in Connection with Planned Combination with GE Transportation

WILMERDING, PA, Nov. 14, 2018 – Wabtec Corporation (NYSE: WAB) announced that at a special meeting today the company's stockholders approved proposals in connection with its planned combination with GE Transportation.

Raymond T. Betler, Wabtec's president and chief executive officer, said: "We're very gratified that our stockholders expressed strong support for the proposals and, therefore, our combination with GE Transportation. This milestone marks a critical step in the process toward merging our two companies, which we believe will accelerate innovation for our customers; generate improved earnings, margins and cash flow for our stockholders; and create long-term growth opportunities for our employees."

The transaction is expected to be completed by early 2019, subject to customary closing conditions. It is possible that the proposed combination could be completed at an earlier time if the closing conditions are satisfied sooner.

At today's special meeting, more than 99 percent of the shares that were voted, or more than 85 percent of Wabtec's total outstanding common stock entitled to vote, approved an amendment to Wabtec's charter to increase the number of authorized shares of the company's common stock and the issuance of its common stock in connection with the planned combination.
