Board and Management Appointments

On May 9, 2017, the Board of Directors (the “Board”) of Westinghouse Air Brake Technologies Corporation (the “Company”) appointed Albert J. Neupaver to the position of Chairman of the Company’s Board. Mr. Neupaver served as Executive Chairman for the past three years. Raymond T. Betler remains President and Chief Executive Officer and a member of the Board. The Board appointed Stéphane Rambaud-Measson as Executive Vice President and Chief Operating Officer and elected Mr. Rambaud-Measson to the Board to the class of directors with a term expiring in 2019. Mr. Rambaud-Measson was previously President and CEO - Transit Segment. The information required by Item 5.02(c)(2) and (d) is incorporated by reference herein from the Company’s Annual Report on Form 10-K for the year ended December 31, 2016 and the Company’s Proxy Statement for the Annual Meeting of Stockholders dated March 31, 2017. Reference is made to the press release filed as Exhibit 99.1 to this Form 8-K, which is incorporated by reference herein.

2011 Stock Incentive Plan

At the 2017 Annual Meeting of Stockholders (the “Annual Meeting”) of the Company held on May 10, 2017, the Company’s stockholders approved the amendment and restatement of the Company’s 2011 Stock Incentive Plan (the “2011 Plan”), including material terms of the performance goals under the Plan. The 2011 Plan was approved by the Board on March 22, 2017, subject to stockholder approval at the Annual Meeting.

The purposes of the 2011 Plan are to encourage eligible employees of the Company and its subsidiaries to increase their efforts to make the Company and each subsidiary more successful, to provide an additional inducement for such employees to remain with the Company or a subsidiary, to reward such employees by providing an opportunity to acquire shares of the Company’s common stock on favorable terms and to provide a means through which the Company may attract able persons to enter the employ of the Company or one of its subsidiaries. The Compensation Committee of the Board administers the 2011 Plan. The eligible employees are those employees of the Company or any subsidiary as selected by the Compensation Committee.

Under the 2011 Plan, which has a ten-year term through May 10, 2027, the maximum number of shares available for grants or awards was an aggregate of 3,800,000 shares (after giving effect to the 2-for-1 stock split in the form of a stock dividend in June 2013) plus any shares which remained available for grant under the Company’s 2000 Stock Incentive Plan as of the original date of adoption of the 2011 Plan (also after giving effect to the 2-for-1 stock split in the form of a stock dividend in June 2013). The amendment and restatement of the 2011 Plan authorized the issuance of an additional 1,000,000 shares of the Company’s common stock under the 2011 Plan.

The 2011 Plan provides for the grant of (i) incentive stock options under Section 422 of the Internal Revenue Code, (ii) non-statutory stock options, (iii) stock appreciation rights, either granted in conjunction with stock options (i.e., tandem SARs) or not in conjunction with options (i.e., freestanding SARs), (iv) restricted share awards, (v) restricted stock units, (vi) performance units and (vii) other stock based awards. Although the 2011 Plan permits the grant of incentive stock options, the Company has not typically granted incentive stock options under its prior equity incentive plans.

The foregoing description of the 2011 Plan is qualified in its entirety by the full text of the 2011 Plan appearing as Annex A to the Company's Proxy Statement for the Annual Meeting of Stockholders dated March 31, 2017, which is incorporated by reference herein.

The Amended and Restated Director Plan was approved by the Board of March 22, 2017, subject to stockholder approval at the Annual Meeting.

The purposes of the Amended and Restated Director Plan are to: provide each non-employee director compensation (referred to as director fees) for future services to be performed as a member of the Board; promote the long-term success of the Company by creating a long-term mutuality of interests between the non-employee directors and the stockholders of the Company; provide an additional motivation for non-employee directors and improve their retention; and provide a way to attract able persons as directors of the Company.

Only non-employee directors are eligible to participate in the Amended and Restated Director Plan. The plan provides for director fees in the form of stock awards and nonqualified stock options. An aggregate of 1,000,000 shares of Wabtec common stock (after giving effect to the 2-for-1 stock split in the form of a stock dividend in June 2013) may be granted as payment to non-employee directors for director fees and stock options under the plan.
